

REMARKS

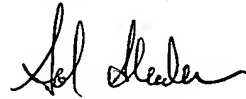

By this amendment, Applicant is changing the title by deleting reference to Voltage as this patent does not make reference to the voltage.

Applicant is replacing color Fig. 3 with the equivalent topographic Fig. 3.

No new matter has been added.

An early and favorable action is respectfully requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Sol Sheinbein', written in a cursive style.

Sol Sheinbein

Registration No. 25,457

Date: December 3, 2003

In the Title:

Please change the title from:

VOLTAGE AND LIGHT INDUCED STRAINS IN POROUS CRYSTALLINE
MATERIALS AND USES THEREFOR

To read as follows:

LIGHT INDUCED STRAINS IN POROUS CRYSTALLINE MATERIALS AND
USES THEREFOR

In the Drawings:

Please replace color Fig. 3 with the equivalent topographic Fig. 3 attached herewith.
